Provider Access Policy Statement

Equalities Statement

In our Trust we work to ensure that there is equality of opportunity for all members of our community who hold a range of protected characteristics as defined by the Equality Act 2010, as well as having regard to other factors which have the potential to cause inequality, such as socio-economic factors.

This Policy includes reference to The Department of Education, July 2021: "Baker Clause" and the Provider Access Legislation, January 2023

1. Rationale

High quality careers education and guidance in school or college is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps students to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

2. Commitment

The Eastbourne Academy is committed to ensuring there is an opportunity for a range of education and training providers to access students, for the purpose of informing them about approved technical education qualifications and apprenticeships. The Eastbourne Academy is fully aware of the responsibility to set students on the path that will secure the best outcome which will enable them to progress in education and work and give employers the highly skilled people they need. That means acting impartially, in line with the statutory duty, and not showing bias towards any route, be that academic or technical.

The Eastbourne Academy endeavours to ensure that all students are aware of all routes to higher skills and are able to access information on technical options and apprenticeships (The Department of Education, July 2021: "Baker Clause": supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023).

3. Development

This policy has been developed and is reviewed annually by the Careers Leader and Line Manager based on current good practice guidelines published by the Department for Education.

Links with other policies

It supports and is underpinned by key school policies including those for Careers, Child Protection, Equality and Diversity, and SEND.

4. Monitoring review and evaluation

The Policy is monitored and evaluated annually via the Trust Executive Leadership Team.

5. Pupil entitlement

The Eastbourne Academy fully supports the statutory requirement for students to have direct access to other providers of further education training, technical training and apprenticeships. The school will comply with the new legal requirement to put on at least six encounters with providers of approved technical education qualifications or apprenticeships. This will be done in assemblies in National Apprenticeship Week and National Careers Week, in addition to providers attending careers

events at school or at each Trust school**.**

- 6 x CEIAG lessons as part of the SPHERE programme, these include workshops and encounters with employer/apprenticeship providers
- Inspire Programme linked with Sussex and Oxford University
- Open Door Experiences
- Big Future Show
- Year 10 Taster Days
- East Sussex Apprenticeship Roadshow
- What Next Event - Parents and students
- ICan (SEND)

Parents and Carers

Parental involvement is encouraged, and parents may be invited to attend the events to meet the providers.

5.1 All pupils in years 8 to 11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

5.2 For pupils of compulsory school age these encounters are mandatory and there will be a minimum of:

- **two encounters for pupils during the 'first key phase' (year 8 to 9) and**
- **two encounters for pupils during the 'second key phase' (year 10 to 11).**

For pupils in the 'third key phase' (year 12 to 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers;
- explain what career routes those options could lead to;
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider);
- answer questions from pupils.

6. Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider.

We are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

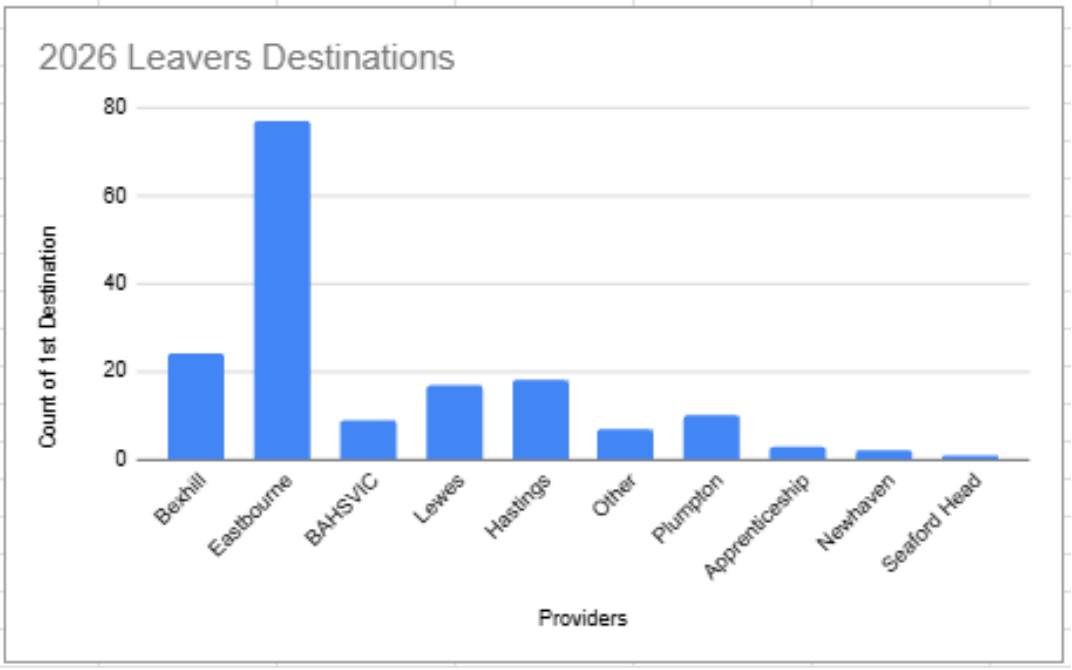
Previous providers

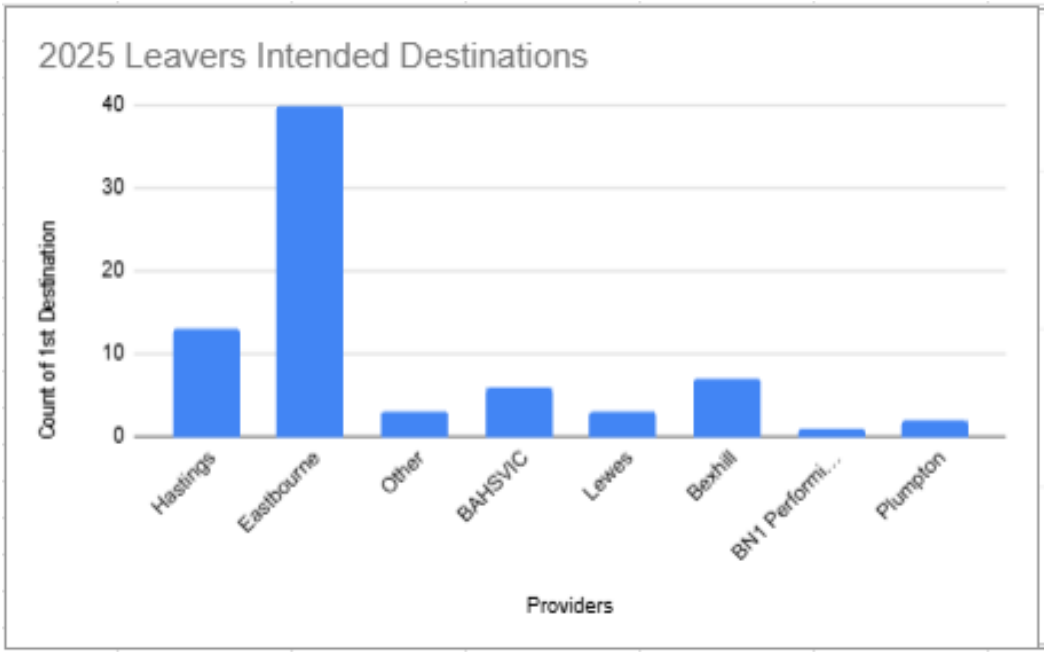
In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- East Sussex College Group
- Bexhill College
- Plumpton Agricultural College
- British Army
- DV8
- BAHSVIC

Destinations of our pupils

Last year our year 11 pupils moved to range of providers in the local area after school:





7. Management of provider access requests

7.1 Procedure

Requests for access in the first instance should be directed to , Careers Advisor. Melissa Gibson may be contacted by telephone or email, melissa.gibson@swale.at 01323 514900 Alternatively, contact can also be made to Sarah Francis who may be contacted by telephone or email, sarah.francis@swale.at 01323514900

7.2 Details of premises or facilities to be provided to a person who is given access

The Eastbourne Academy will provide an appropriate room or assembly hall. The room or hall will have digital access. The Careers Team will work closely with the provider to ensure the facilities are appropriate to the audience. Appropriate safeguarding checks will be carried out. Providers will be met and supervised by a member of the Careers Team who will facilitate.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school for the attention of the careers team.

7.3 Opportunities for access (see table below)

The school offers the **six provider encounters required by law (marked in bold text)** and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.

	Autumn terms	WInter Terms	Summer Terms
Year 8	CEIAG Lessons in SPHERE **Open Door Experiences** Dare to Dream Careers Talk Future Ready Project	**Open Door Experiences** Parents Evenings Future Ready Project National Careers Week National Apprenticeship week	**Open Door Experiences** Take your child to work day Future Ready Project Finance Lessons in SPHERE
